VASSAY TILE

TO BUILD THE FUTURE

• Wooden tiles

Add the earthy hues of wooden floors with the tenacity of our wood-like porcelain tiles.

• Taps

Our mixers are salty water friendly with a chrome finish that last a generation. Of all your worries rust and fading will not be one of them

• Bathroom

We have an unprecedented selection of sanitary ware, bathroom vanities, flush systems and so much more.

About Us

Founded in 2014, Vassay Tiles has continuously grown to become the preferred destination for home makers and interior designers. Our quality and selection are unmatched with prices that are considerate and non-exploitative. We strongly believe furnishing your project should not be unnecessarily costly. Having served more than 10,000 clients over the past 7 years across the East African region, our clients tell a tale of products that continue to serve them well.

**Daniel Ojijo Founder and Chairman /
CEO Homes Universal Group**

On behalf of HomesUniversal Limited, the holding company of HomesKenya Limited, organizer of the Kenya Homes Expo, our silver sponsors for the 35th Kenya Homes Expo, Kenya Power Lightning Company (KPLC), it is with great pleasure and excitement that we welcome you to the 35th Kenya Homes Expo, a celebration of sustainable living and innovation in the realm of housing and construction.

The theme of this year's expo, "Sustainable Living," reflects our shared interest to create better spaces for a sustainable future. In a world where environmental consciousness and responsible practices are becoming increasingly vital, the theme of sustainable living resonates deeply with us all. Through this Expo, we aim to showcase the latest trends, technologies, and solutions that promote eco-friendly living spaces, energy efficiency, and a harmonious relationship with our planet.

We invite you to engage with our exhibitors, attend insightful

NEW PRODUCTS made for you

seminars, and network with industry experts to gain valuable insights and inspiration for creating sustainable homes and communities. Together, let us envision a future where our homes are not just structures but sanctuaries that nurture our well-being and protect our environment.

On behalf of the organizing committee, I extend my heartfelt gratitude to all our sponsors, partners, exhibitors, and attendees for their unwavering support and commitment to sustainable living. Your presence here today is a testament to your commitment to providing our people with safe, affordable, and comfortable homes.

I encourage you to engage with our guests, share your knowledge, and forge valuable connections that will further drive the growth of our industry. Your mutual experiences, knowledge-sharing, and potential collaborations will undoubtedly propel our housing industry to new heights.

In conclusion, welcome to the Kenya Homes Expo! Let us come together over these next four days to explore, learn, engage, and collaborate. May this event be a catalyst for growth and prosperity in our housing industry, enabling us to build sustainable future.

Welcome to the 35th Kenya Homes Expo.

Daniel Ojijo

Founder and Chairman- HomesUniversal Group

In the dynamic landscape of Kenya's construction industry, one company stands out for its remarkable achievements and unwavering commitment to excellence in innovative steel building & roofing solutions - Mabati Rolling Mills Limited (MRM).

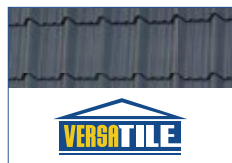

Mabati Rolling Mills (MRM) has been providing steel roofing & building solutions to Kenya and the East Africa market since 1961. This has been successfully achieved by huge investments in an excellent manufacturing facility with world-class processes supported by a wide distribution network and customer centric services through its partners and retail outlets.

The steel building solutions are rolled to deliver value and the highest quality to customers with focus on solutions for diverse application areas including residential, commercial, industrial and institutional buildings as well as raw materials for other sectors like storage, packaging & steel fabrications.

The MRM brand stands for trust, integrity and performance in all its processes and is the only steel manufacturer offering written product warranty issued for all its brands. MRM continues to assure customers of the excellent product performance, quality and durability of its steel roofing, building solutions and other allied by products.

Some of the MRM innovative Trusted roof & building solutions include:

- ❖ **SAFLOK700**® a concealed fix roofing system in an angular interlocking trapezoidal rib profile that can be rolled on site to lengths of up to 100metres. Sheets are locked onto fixing clips and therefore no piercing.
- ❖ **Lifestile**® stone-coated steel roofing tiles combining impeccable artistry, unmatched durability, and aesthetic appeal, Lifestile® has become the epitome of architectural excellence.
- ❖ **Versatile**®, **Orientile**®, **Elegantile**® range of steel roofing tiles.
- ❖ **Resincot**®, **Covermax**®, **Maxcover**® range of colored steel roofing sheets available in a variety of colors.
- ❖ **DumuRangi**® and **Dumuzas**® normal corrugated steel roofing sheets.
- ❖ **SAFBUILD**® A Pre-engineered steel building (PEB) solution easily assembled and constructed in just 4 weeks while maintaining the quality & aesthetics standards adorned by MRM.
- ❖ **Ultraspan**® Pre-engineered steel trussing systems giving flexibility in designs.
- ❖ **SAFCOOL**® Insulated panels used in both structural & temperature control storage for cold rooms.

HOMES Kenya

LIVING | TRAVEL | LEISURE LIMITED

Homes Kenya Magazine is the glossy, high-quality publication of record, that uniquely sets the pace in home living standards, while informing home owners, potential home buyers and living connoisseurs on the latest trends. Currently published once every two months, the magazine has insightful articles on living, property, inspiration, travel and leisure.

Frequency Bi-Monthly

Homes Kenya Magazine has been a model of consistency in the publishing market since 2005. We are the de facto voice for the real estate space within Kenya and the East and Central African region. Our product is driven by an accomplished Editorial team, well versed on the property market and conversant with all nuances within this vibrant sector. Excellence is not a standard we aim for, it is merely a goal we seek to exceed with each issue.

Editorial Pillars

- Real Estate
- Interior Décor & Gardening
- Leisure and Travel
- Finance & Technology

Circulation

Our distribution network covers an impressive range, both within Kenya, the East and Central African region and further afield. Primarily targeting influencers - over 85% of our readers qualify as high net worth individuals - our readership span extends to a loyal secondary market, reaching out to all levels of society. The feedback we regularly get is proof that our product addresses the interests of our clientele and market, thus greatly expanding our already impressive list of consumers.

The BIGGEST Homes Show in East and Central Africa

Kenya Homes Expo

Kenya Homes Expo is East and Central Africa's biggest homes show, a forum that brings together all real estate stakeholders to discuss and display sector trends. Since 2005, we have offered real estate stakeholders an additional medium for networking, meeting visitors who have a buying capability - face to face and sealing deals. Over the years, Kenya Homes Expo has been able to generate not only high quality audiences and sale leads for exhibitors but also great bargains for attendees.

Why exhibit with us?

Over 90% return exhibitors
Join our list of growing exhibitors to enjoy repeat business opportunities that other stake holders have enjoyed relentlessly every year.

Affluent visitors

Kenya Homes expo records over 40,000 affluent visitors every edition. One of our competitive strengths is filtering traffic that ensures only affluent and relevant traffic flows into the exhibition, offering our exhibitors a rich flow of visitors that they cannot get in any other homes expo in the region. The expo also receives visitors from neighboring countries and Kenyans abroad looking for investment opportunities in the growing Kenya Real estate market.

Biggest Homes Show

Previous editions have recorded up to 180 exhibitors, both local and international. When you exhibit with us, you are exhibiting in the premium exhibition regionally.

Who exhibits?

- Residential & Commercial Real Estate Agents
- Residential & Commercial Developers
- Mortgage & investment loan providers
- Property Investment Advisors & Insurance providers.
- Industry Associations & Government Bodies
- Property Valuers & Building Support Providers
- Home Interiors and Landscaping Experts
- Home Appliances & Electronics Suppliers
- Home Networking & Communication Providers
- Energy Suppliers & Equipment Providers
- Entertainment, Travel & Leisure and MORE!!

DAVIS & SHIRTLIFF

The Davis & Shirliff Group is the leading supplier of water related equipment in East Africa. Founded in 1946, business activities focus on six principal product sectors – water pumps, borehole services, swimming pool equipment, water treatment, solar and power products requirements.

Davis & Shirliff distributes high quality equipment from industry leading companies from around the world and also manufactures and assembles various water related products. Solar water heaters have become extremely popular with many liking the environmentally efficient way of combating rising electricity costs. Power back-up systems come into their own particularly where uninterrupted power supply without the noise associated with generators is important.

Davis & Shirliff's mission is to be a first world quality organisation through the highest levels of corporate standards, integrity and professionalism.

Motherland is a leading manufacturer and installer of pre-stressed beams and hollow blocks, serving the construction industry with high-quality, innovative solutions. With a commitment to excellence, we provide products that enhance structural integrity, reduce construction time, and promote sustainable building practices.

KEY PRODUCTS AND SERVICES

Pre-Stressed Beams: Our pre-stressed beams are engineered to withstand heavy loads and provide structural stability in a variety of construction projects. They are available in T-Beams and Flat Beams, tailored to meet the specific needs of each project.

Hollow Blocks: Our hollow blocks are lightweight yet durable, making them ideal for both load-bearing and non-load-bearing applications. They offer excellent thermal insulation properties and contribute to energy-efficient construction.

Installation Services: We offer comprehensive installation services to ensure the seamless integration of our products into your construction projects. Our experienced team uses state-of-the-art equipment and techniques to guarantee precision and efficiency.

Customer Base

Our primary customer base includes construction companies, architects, engineers, and developers involved in residential, commercial and industrial projects.

Competitive Advantage

Motherland stands out in the market due to our commitment to quality, innovation, and sustainability. Our customer-centric approach, experienced team, and competitive pricing make us the preferred choice for construction projects of all scales.

MABATI ROLLING MILLS

In the dynamic landscape of Kenya's construction industry, one company stands out for its remarkable achievements and unwavering

commitment to excellence in innovative steel building & roofing solutions - Mabati Rolling Mills Limited (MRM).

Mabati Rolling Mills (MRM) has been providing steel roofing & building solutions to Kenya and the East Africa market since 1961. This has been successfully achieved by huge investments in an excellent manufacturing facility with world-class processes supported by a wide distribution network and customer centric services through its partners and retail outlets. The steel building solutions are rolled to deliver value and the highest quality to customers with focus on solutions for diverse application areas including residential, commercial, industrial and institutional buildings as well as raw materials for other sectors like storage, packaging & steel fabrications.

The MRM brand stands for trust, integrity and performance in all its processes and is the only steel manufacturer offering written product warranty

issued for all its brands. MRM continues to assure customers of the excellent product performance, quality and durability of its steel roofing, building solutions and other allied by products.

**MINISTRY OF LANDS, PUBLIC WORKS,
HOUSING AND URBAN DEVELOPMENT**

**APRIL
18-21
2024**

KICC

Ministry of Lands, Public Works, Housing and Urban Development has been in existence, though as different departments of various ministries that implemented housing policies at different times. This can be traced from the 1960's, 1970s and the 1980s.

In the 1980's there existed the Ministry of Housing and Social services, which later became the Ministry of Housing. Between 1990s and 2004, Housing was together with Roads and Public Works as the Ministry of Roads, Public Works and Housing. In 2004, Housing was moved to the Ministry of Lands and Settlement and the new ministry was named Ministry of Lands and Housing. Despite the inconsistency in placement of the key docket of Housing, the core functions of the departments that currently constitute the Ministry of Housing have remained the same. In December 2005, following Government reorganization, the Ministry of Housing was re-established.
